Proposed Draft

With Dewan's remarks

Read:—

(3)

Letter No. 2215/1240 dated 10th February 1892, from the Registrar of the Chief Court of Mysore requesting that sanction may be accorded to the entire proceedings in murder cases, especially when accused are sentenced to death, being copied by licensed copyists for being struck off at the Government Press and to the costs of preparing the copies being defrayed out of the contingent grant of the Court.

Order thereon.

Before passing final orders in the subject of

the above Communication from the
Government request to
be furnished with
information on the
following points

(1) Whether there are
any special reasons
for getting printed
the proceedings in
cases of the kind
referred to in the
above read letter.

(2) The number of
such cases disposed of
by the Chief Court
each of
during the years 1889,
1890, and 1891 ~~which~~
~~proceedings could~~
~~have been obtained~~.

(3) The probable cost of
making copies thereof

(4) Whether such cost
could have conveniently
~~be~~ met from the
Contingent allowance

of the Court.

(5) Why after recent additions made to the establishment of the Chief Court in September 1890, the work of copying the proceedings referred to cannot be undertaken by the regular establishment.

2. The Government observe that it seems to be of doubtful propriety to make any distinction between the accused in such cases in the matter of furnishing printed copies and it is further

further a question whether the Government Press can conveniently bear the extra work proposed to be imposed on it.

Chief Secretary

To,

The Registrar of the Chief Court of Mysore.

GOVERNMENT OF MYSORE

Bangalore 10th May 1892.

From

The Registrar of the
(3) Chief Court of Mysore

To

The Chief Secretary
to the Diwan of Mysore

Sir,

I am directed to inform you that it has been considered desirable to have the entire proceedings in murder cases, especially where the accused are sentenced to death, printed in a book form, as is done in the Madras High Court, the manuscripts being generally voluminous and the handwriting of the judges and magistrates illegible. The copies intended for the Press are required, under the Proceedings of Government No: (4) 5650-87 Cir: 209 dated 10th August 1891, to be written out neatly and clearly on only one side of the paper.

This

This would entail additional work which cannot be expeditiously done by the clerks of the Regular establishment who are already overworked. I am, therefore, to request that Government may be pleased to accord sanction to the copies being made by the licenced copyists and the cost thereof defrayed out of the contingent grant. In cases in which the appellants are able to pay for the printed copies of the record a small fee will be levied and credited to Government. In cases in which the appellants are poor and unable to pay the fees, the copies will be granted gratis.

I have the honor to be,
Sir,
your most obedient Servant,

S. Hannaqueen

Registrar.

The Chief Secretary to the
Dewan of Mysore
Bangalore

Sir,

I am directed to acknowledge the receipt of (13)
Government Proceedings No. 4700/48 dated 10th Instant, and to state, in reply, that the practice in the Madras High Court is that all records in Murder Cases are printed as a matter of course at the expense of the Government, other Criminal Appeals also are printed if the records are bulky and if a Judge orders that they ought to be printed to facilitate despatch of work. The cost of printing such records is borne by the High Court itself, i e, it is paid out of the surplus money left in the hands of the Court after meeting the expenses of printing records in Civil Suits. I am, therefore, directed to request the Government may be pleased to accord sanction to the records in Murder Cases and other Criminal Cases of importance being printed at the Central Jail Press and to the cost incurred in the current year

year being met out of savings of the contingent allowance of this Court. A separate provision will be made in the Budget of future years.
